The top screenshot displays the Lorient Agglomération website's 'ENQUÊTES PUBLIQUES' (Public Surveys) section. It features a navigation bar with links to AGGLO, SERVICES, ACTIONS, À VIVRE, ACTUS, and MON TERRITOIRE. The main content area is titled 'ENQUÊTES PUBLIQUES' and 'Avis d'enquêtes publiques'. It lists two surveys: one for Hennebont (dated June 21 to July 23, 2021) and one for Inzinzac-Lochrist (dated June 21 to July 21, 2021). Both surveys are for the 'projet de zonage d'assainissement des eaux usées et des eaux pluviales'. A sidebar on the left includes a 'Dico Bzh' link and a list of 'ACTUALITÉS' (news items). A 'VOS SERVICES' (Your Services) bar is visible below the main content.

The bottom screenshot shows a different section of the website, featuring a map of the Lorient area and a video titled 'Lorient La Base : pôle d'excellence nautique'. The video is described as a 'pôle d'excellence du nautisme de haut niveau' (high-level sailing excellence pole). The page also includes a '18/06/2021 - ACTUS' (News) section with a link to 'Ouverture d'enquêtes publiques à Hennebont et Inzinzac-Lochrist'.
